The Scenic Rivers Land Trust is a private, non-profit, non-governmental body chartered as a 501(c)(3) corporation in 1988 for the purpose of protecting land through voluntary land preservation agreements and educating landholders on issues of conservation and stewardship. The Scenic Rivers Land Trust accepts conservation easements within Anne Arundel County, Maryland. Our focus is the Severn, South, Patuxent, Rhode, and West River watersheds. We work cooperatively with the Maryland Environmental Trust (MET) as an authorized MET easement agency. As a partner organization, MET provides incredible expertise and mentoring, and their presence as a co-holder on larger easements offers landowners additional state tax credits. SRLT is also in compliance with the Standards and Practices of the national Land Trust Alliance.
