Fulfilling our mission of stewardship of the Spa Creek watershed through education, preservation, mitigation, and restoration, our vision is to be a model organization for restoring and protecting urban watersheds.

**Our goals are to:**

- Clean up Spa Creek from the headwaters to the Severn River
- Educate about the link between human life styles and the health of the Spa Creek watershed
- Reduce erosion, stormwater runoff, and pollution
- Provide an umbrella nonprofit 501(c)(3) organization to obtain funding for initiatives and their completion Fed ID# 41-2069559
- Identify sources of damage to the Spa Creek watershed, raise such issues with the responsible parties and cooperate to achieve corrective actions
- Develop action plans to repair the damage to the Spa Creek watershed and remediate their sources, working with other groups when possible
