Positive-Strides.org is a 501(c)3 non-profit whose mission is to provide guidance and assistance to athletes who have suffered catastrophic or life changing sports-related injuries. Our focus is to provide mental, physical, and/or financial support to athletes who have suffered play ending injuries such as concussions, knee injuries etc. By providing services to help guide injured athletes in the right direction away from facing depression and addictions, Positive-Strides.org is making a difference in the lives of many athletes injured on or off the field.

**MISSION STATEMENT**

Provide guidance and assistance to athletes, both male and female ages 13-24, who have suffered a catastrophic, life altering and/or career ending sports-related injury with mental, physical and financial support.
